

N° 2014B

The domed end of the No 2014 Georgian Lever is ringed by a single cavetto molding. The swell of the handle is bracketed by a single beaded astragal on either side. Although Neoclassical in origin, the restrained design is suitable for contemporary as well as traditional interiors. This handle can be paired with a number of different rose designs. Recommended finishes include burnished brass, polished nickel and antique brass, though all Nanz plated and patinated finishes are available. The handle can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows.

Length: 4-1/8"
Projection: 2-3/4"
Lever Style: Transitional
Collection: Georgian
