

N° 2018

The No 2018 Edwardian-inspired lever is an early 20th-century update of Georgian motifs. Three graduated steps at the end of the tapering handle terminate in a shallow-domed disk with a bullnose edge. An attenuated ogee joins the handle's bend to the shank. Though shown with a square rose with ogee detail and exposed screws, various rose designs are appropriate with this handle. All Nanz plated and patinated finishes are available, including antique gold, satin nickel, pewter and antique brass. The handle can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows.

Length: 4"

Projection: 2-3/4"

Lever Style: Transitional

Collection: Georgian
