

No 2058

The No 2058 neoclassical lever's octagonal tapering handle is bounded by plain astragals and terminates in a shallow ogival dome. The oval rose has two exposed screws; a round rose with hidden fasteners is also offered. Ebonite and mahogany octagonal handles are also available. The lever is suitable for both traditional and contemporary interiors. Recommended finishes include polished brass, burnished brass, polished nickel and antique brass as well as a large selection of other plated and patinated finishes. This handle can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows.
