

N° 2079

The No 2079 mid-century lever is an updated classical design with a contemporary edge. The circular rose paired with the smooth lines of the handle creates a modern simplicity. A highly tapered end adds to the minimal appearance of the handle, making it appropriate for modern interiors. Recommended finishes include polished nickel, satin nickel, polished brass and dark oxidized bronze. All Nanz plated and patinated finishes are available. The handle can be provided with a variety of alternative rose designs. It can be used to operate tilt & turn windows and multi-point locking systems as well as traditional mortise locks.

Length: 5-1/8"

Projection: 2-1/2"

Rose Diameter: 1-3/4"

Lever Style: Modern
