NANZ

N° 2083

The No 2083 rectangular lever expresses the essence of modern design and juxtaposes the flat-faced handle's right angles with a cylindrical rose. The clean lines of the lever make it appropriate for a variety of contemporary interiors. Recommended finishes include satin nickel and polished brass, though all NANZ plated and patinated finishes are available. This handle can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows.
