No 2085H

Despite its apparent simplicity, the No 2085H modern lever is complex in form. The flat surface of the handle tapers towards the end connecting to the chamfered-edged, disk-shaped rose. The result is a minimalist lever with an elegant profile. A variety of rose designs can be provided with this handle. Recommended finishes include, but are not limited to satin nickel, polished brass, polished chrome, burnished nickel and dark oxidized bronze. This handle can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows.

Length:	4-3/4"
Projection:	2-1/8"
Rose Diameter:	1-3/4"
Lever Style:	Textured
