

N° 2095

The No 2095 lever's compound curving form originated in Baroque Europe, though its present form reflects an 18th-century colonial American transformation of that form. This handle can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and measures 4-3/8" in length. All Nanz plated and patinated finishes are available.

Length: 4-3/8"
