

N° 2096

The No 2096 represents the purity of modern design. A thin plane comprises the handle, which runs tangent to the cylindrical shank. The circular rose with exposed screws infuses the lever's ideal forms with a functional aesthetic. This lever can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows. All Nanz plated and patinated finishes are available.

Length: 4-5/8"

Projection: 2-3/8"

Rose Diameter: 2-1/4"

Lever Style: Modern

Collection: Bauhaus
