

N° 2096FBA

The No 2096FBA represents the purity of modern design enriched with fine sophistication. A thin planar handle runs tangent to a cylindrical shank which is crowned with a faceted black agate. The circular rose with concealed screws infuses the lever's ideal forms with a functional aesthetic. This lever can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows. All NANZ plated and patinated finishes are available.
