

N° 2121

The No 2121 reed & ribbon Louis XVI lever, like its cousin No 2120, reflects the neoclassicism of 18th-century France. Beads detail the circular rose, while anacanthus leaves entwine the gently S-shaped handle. This handle can be used with traditional full-mortise locksets or manufactured for use with multi-point doors as well as tilt & turn windows. All Nanz plated and patinated finishes are available.
