

N° 2124

The narrow S curve of the N° 2124S spirals out from the shank. The organic aesthetic of the handle inspired by Baroque forms is suitable for traditional interiors. It can be used with traditional full-mortise locksets or can be manufactured for use with multi-point doors as well as tilt & turn windows. All NANZ plated and patinated finishes are available.

Length: 4-3/4"

Projection: 2"
