

N° 21461

The No 21461 lever's design treats traditional form with the simplicity of modern elegance; the handle is described on either end by a cylindrical band bisected by a cove. The lever can be used with traditional full mortise locksets or manufactured for use with multi-point doors and tilt & turn windows. Recommended finishes include satin nickel, polished nickel, light antique brass, dark oxidized bronze and antique nickel, though all Nanz finishes are available.

Length: 4-3/4" 5-1/4"

Projection: 2-3/4"

Collection: Ornamental
