

N° 21551DK 400

Designed in collaboration with Suzanne Tucker, the Nob Hill collection is inspired by the gilded-age mansions of San Francisco's iconic, historic neighborhood, and represents the very best of chic, timeless design. The N° 21551DK 4-1/2" neoclassical lever's tapering handle is bounded by double astragals with diamond knurling and terminates in an ornamental boss. The astragal design and delicate knurling are repeated on the face of the N° 52292DK 238 rose. Shown here in Burnished Brass, this handle is available in all NANZ plated and patinated finishes. Also available in a 5-1/8" length, this lever may be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows.
