

N° 2155DK

The N° 2155DK neoclassical lever's tapering handle is bounded by double astragals with diamond knurling and terminates in concentric circles. The astragal design and delicate knurling are repeated on the face of the N° 52292DK rose. This handle is available in all Nanz plated and patinated finishes. It may be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows.
