

N° 2214

The No 2214 Georgian lever is accented by a delicate finial detail juxtaposed against plain, roped, or beaded astragal rings on either end of a handle that slightly swells at the center. Although Neoclassical in character, this ergonomic design is suitable for contemporary as well as traditional interiors. It can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows. Recommended finishes include antique silver or gold, polished brass, and pewter. All Nanz plated and patinated finishes are available.
