

N° 2214B

The No 2214B Georgian lever is accented by a delicate finial detail juxtaposed against plain, roped, or beaded astragal rings on either end of a handle that slightly swells at the center. Although Neoclassical in character, this ergonomic design is suitable for contemporary as well as traditional interiors. This handle can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows. Recommended finishes include antique silver or gold, polished brass, and pewter. All NANZ plated and patinated finishes are available.
