

N° 2330

The No 2330 Art Deco lever exemplifies the streamlined style with its ascending rectangular planes. The stepped motif, repeated in the backplate, illustrates the balance of functional geometry and simple elegance in 1930s design. A polished finish will highlight the lever's smooth surfaces, while a patinated finish will outline its contours. The lever can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows. All Nanz finishes are available, as is a selection of related products.

Length: 3-3/4"

Projection: 1-1/2"

Backplate: 1-3/4" x 2"

Lever Style: Transitional

Collection: Art Deco
