

**Nº 2945**

Designed as part of the Carver Series, the Nº 2945 lever combines tactile curves with an organic cast form. This handle takes on a rustic feel with antique finishes, yet its rigid geometry functions well in modern interiors with a polished finish. The lever is suitable for a range of interiors and design styles. The handle can be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows.
