

NANZ®

N° 2964 438 TXT

Designed in collaboration with Suzanne Tucker, the Montecito collection echoes the iconic elements of Spanish Colonial Revival architecture: hand-hammered surfaces, Moorish quatrefoils, and classic scrolled detailing - both graceful and textural to the hand, evoking an elegance of living. The N° 2964 scroll lever features an organic hand hammered texture, wraps around a prism at the base, and is paired with the textured N° 5964 188 TXT rose. This lever may be used with traditional full-mortise locksets or manufactured for use with multi-point doors and tilt & turn windows. Shown here in Medium Antique Brass, this handle is available in all NANZ plated and patinated finishes.
