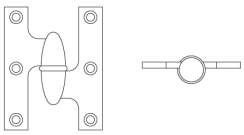
NANZ®

No 3002

The parabolic profile of the No 3002 olive knuckle cabinet hinge presents a handsome decorative element when an alternative to butt hinges is required. The hinge is suitable for contemporary as well as traditional interiors. The hinge is handed; a right-hand hinge is shown. A faceted version is also available, as are beaded and roped bushings. All NANZ plated and patinated finishes are available.



Height:	3"
Width:	2-1/2"
Leaf Gauge:	1/8"
Knuckle Diameter:	7/8"
