

NANZ

N° 3044 450x450 OBF

The Tiburon collection is inspired by the concentric circles of a drop falling into water – fluid and spherical, classic proportions distilled to perfection. The N° 3045 five knuckle butt hinge is paired with oversized ball finials to compliment the collection. Larger and smaller hinges are available for doors of varying thickness and trim conditions. Ball bearing and wide throw hinges are also available. Shown here in Antique Gold, all NANZ plated and patinated finishes are available.
