

NANZ

N° 3045 450x450 AS

The Hollywood collection is inspired by the Hollywood Regency style from the first half of the 20th century: sleek and stream-lined, deceptively simple yet incredibly glamorous. The N° 3045 five knuckle butt hinge is paired with a rounded astragal finial to complement the collection. An array of hinge sizes are available for doors of varying thickness and trim conditions. Ball bearing and wide throw hinges are also available. All NANZ plated and patinated finishes are available.
