N° 3583DK 450x450 CC

The Nob Hill collection is inspired by the gilded-age mansions of San Francisco's iconic, historic neighborhood, and represents the very best of chic, timeless design. The N° 3583DK CC two knuckle lift-off butt hinge has a bushing with diamond knurling between the cylindrical knuckles and ringed finials. The design is appropriate for traditional as well as contemporary interiors. The hinge is handed; a right-hand hinge is shown. As is true with all hinges, NANZ can manufacture custom versions in any size required. All NANZ plated and patinated finishes are available.
