

N° 3583BE

The No 3583BE lift off butt hinge draws inspiration from early 19th-century French Hardware. Bulls eye finials add a classical touch with deep ogees and the pronounced bushing makes it perfect for traditional or modern interiors. A selection of related products are also available. Custom sizes can be manufactured. The hinge is handed; a right-hand hinge is shown. All Nanz plated and patinated finishes are available.
