

NANZ

N° 3764

The paumelle cabinet hinge has taken an 18th-century French design and stripped all superfluous ornament to an essential form. The upper and lower cylindrical knuckles, each ending with a slight radius, are separated by a disk-shaped bearing. Other custom sizes can be ordered. The hinge is handed, right hand hinge shown. It is available in a variety of plated and patinated finishes.

Height: 2-1/2"

Width: 2"

Leaf Gauge: 1/8"

Knuckle Diameter: 3/8"
