

NANZ®

N° 4004

The Hollywood collection is inspired by the Hollywood Regency style from the first half of the 20th century: sleek and streamlined, deceptively simple yet incredibly glamorous. The N° 4004 oval thumbturn's smooth curves and rounded astragal are a perfect compliment to the collection. The thumbturn can be used with all NANZ full mortise locksets. Shown here in Burnished Nickel, all NANZ plated and patinated finishes are available.
