

## N° 4880

The N° 4880 faceted keyhole escutcheon with swinging tassel cover is an adaptation of a traditional design from the early 20th century. The angular cover with bevelled cavetto and ovolo mouldings can achieve a traditional or modern aesthetic with the right finish. All NANZ plated and patinated finishes are available.

Height: 2-1/2"  
Width: 7/8"  
Projection: 3/8"
