

## N° 5006

The N° 5006 rosette reflects stepped motifs characteristic of American architecture of the 1930s and later. Although it is appropriate for Art Deco and modern decors, this rosette, as designed, can accompany a vast selection of knobs and some levers. It can be manufactured to be used with any handle if required. The rosette is available in all Nanz plated and patinated finishes. A selection of related products is also available.
