# NANZ

Nº 5022CF

The unadorned, geometrical form of No 5022CF Bauhaus rose is reminiscent of functionalist design. In contrast to its flat, square face and concealed fasteners.The No 5022CF rosette can accompany a vast selection of knobs and levers. With the application of different finishes, the minimalist aesthetic of the rose can adapt to a variety of décor. All NANZ plated and patinated finishes are available.
