

### N° 5160

The No 5160 rosette reflects stepped motifs characteristic of American architecture of the 1930s and later enclosing the rosette's face. Although it is appropriate for Art Deco and modern decors, this rosette, as designed, can accompany a vast selection of knobs and some levers. It can be manufactured to be used with any handle if required. It is available in all Nanz plated and patinated finishes.
