

N° 5544

The No 5544 escutcheon with thumbblatch features vaulted ends and ribbed border is reminiscent of a transitional style of the 15th century. The elaborate trefoil motif departs from the commonly associated tracery of the time making this escutcheon a unique piece suitable to accompany various styles of knobs and levers. Custom sizes are available upon request. All Nanz plated and patinated finishes are available. **Special Product: Due to the production process, tooling and fixturing may be required prior to order fulfillment.*
