

N° 6705C

The No 6705C thumbblatch with cylinder lock is typically used for main entry doors. It combines a Colonial style handle with a classic rectangular escutcheon and can be used with a lever or knob on the interior side of the door. A slightly shorter version can be provided which would not include the cylinder. All plated and patinated finishes are available.

Height: 17-1/2"

Width: 2-1/2"

Projection: 2-5/8"
