

Nº 6023P

The No 6023 drop ring pull combines Baroque compound curves with Georgian austerity. The lip of the pull has a plain astragal, which is also available with roped or beaded detailing. Its hidden fasteners and understated elegance make it suitable for a variety of interiors. The pull is designed to operate a mortise latchset. Doors thicker than 2" will accommodate a back-to-back application. All plated and patinated finishes are available.

Diameter: 3"

Projection: 1/8"

Depth: 3/8"

Collection: Georgian
