

N° 6088

The No 6088 recessed pull is a modern interpretation of neo-classical style. The shallow ogee circumscribed by an astragal and cove on the face produces a fluid form that makes it suitable for both modern and classical interiors. Although shown here with a plain astragal, this pull is also available with straight, roped or beaded detailing. All Nanz plated and patinated finishes are available.

Diameter: 4"
