NANZ

N° 6198

The No 6198 rectangular recessed pull is an expression of simple, elegant design. A quarter-round between two square-edged steps forms the pull's well-proportioned molding detail. It is often specified with the NANZ No 7611 edge pull. It is available in another version, the No 6398, with either a thumbturn or keyhole cutout for use with the No 7621 privacy pocket door lock. All plated and patinated finishes are available.

HEIGHT	WIDTH	PROJECTION	DEPTH
4-1/8"	1-3/8"	3/16"	3/8"
4-3/4"	1-5/8"	3/16"	3/8"
