NANZ®

# N° 6533

The 6533 offset door pull is simple and practical. Subtle organic contours are accented by the static cylindrical structure of the pull. Its straightforward design lends it a great deal of versatility. Any NANZ plated or patinated finishes can be applied. Smaller sizes are available as cabinet pulls.

| HEIGHT | WIDTH | PROJECTION |
|---|---|---|
| 6" | 2-3/8" | 2-3/4" |
| 8" | 3-1/4" | 2-3/4" |
