

N° 6537 1000

The geometrically driven contour of the N° 6537 pull is a delicate cohesion of rectilinear surfaces and subtle transitions. The simple yet dynamic structure consists of classical cavetto rosettes and an epistylar handle that extends slightly beyond its posts. The 10" size is suitable for full size doors. All Nanz plated and patinated finishes are available.

Center-to-Center: 10"

Width: 1"

Projection: 1-13/16"
