NANZ®

No 6828P

The No 6828P pull's crossbar posesses a central ball detail that extends on either side in graceful ogival curves and terminates in sharp astragals. The pull is available for full-sized, shower, and refrigerator doors and can be used in back-to-back configurations. Smaller versions, the No 8828P, are available for cabinetry. Rosettes for the pull, shown with plain detailing are also available in roped, beaded or with straight detailing. It is offered in all NANZ plated and patinated finishes.
