

N° 6940

Thru-door pulls are flush on three sides, and accordingly low-profile. The No 6940 pull may be used on passage pocket doors. While initially specified for modernist interiors, designers have recently embraced thru-door pulls for traditional and transitional interiors. Available in all plated and patinated finishes. Modifiable as necessary to accommodate 2-1/4" doors or alternate style and rail configurations.

Length: 2-1/4"
