

Nº 7810

The No 7810 Every-Door™ Rim Latch is unique in that it is surface mounted and fully reversible. Shown with the No 1060 knob, the box features six exposed fasteners and a cavetto edge detail at its base. The Every-Door™ Rim Latch is available in both privacy and passage functions and is sprung for both knobs and levers making it suitable for a wide range of applications. All Nanz plated and patinated finishes are available. To order the No 7810 Every-Door™ Rim Latch, please call 212-367-7000 or email pricing@nanz.com Patent Pending.
