

N° 7900

The N° 7900 cabinetry cremone is medium size compared to our standard door cremones. Engineered for cabinet doors, the pull cremone rods connect to spring loaded catches that secure the cabinet at top and bottom. Shown with the N° 8015 knob, the style is suitable for modern as well as traditional interiors. All NANZ pulls and knobs are available in polished and satin finishes.

Height: 4-1/4"

Width: 1"

Knob Style: N°8015
