# N° 8006

The No 8006 cabinet knob was inspired by an American Art Deco design of the 1930s. The series of steps on the face of the knob are repeated in the base of the shank and in the optional rosette, which is available at an additional cost. It is often specified with the companion No 1006 Deco knob, which is manufactured in a variety of sizes for full-sized doors. All NANZ plated and patinated finishes are available.
