N° 8018

A compressed sphere surmounting a shank with gently curved sides and stepped base forms the N° 8018 Georgian cabinet knob. The classic proportions make the knob suitable for a variety of styles and periods. It is often specified with the companion N° 1018 Georgian knob, which is manufactured in a variety of sizes for full-sized doors. This handsome knob is shown here with an optional rosette. All NANZ plated and patinated finishes are available.
