

N° 8030F

The stylish N° 8030F cabinet knob, dating to the mid 20th century, achieves a modern esthetic by updating classical molding profiles. The face of the knob is faceted, forming a subtle, octagonal pyramid. The face forms a cusp with the edge of the curving side. All Nanz plated and patinated finishes are available.

Diameter: 1-3/4"

Projection: 1-5/8"
