

## Nº 8403

The No 8403 Georgian cabinet knob is reminiscent of the Neoclassical 20s. The face of the knob is broken by a series of steps, diminishing to a cavetto with a boss at the center. The curving profile of the shank is continued by the flaring rose. The available finishes include burnished brass, pewter, polished nickel, and antique gold.

Diameter: 1-3/4"

Projection: 1-1/4

Collection: Georgian
