

N° 8408

The No 8408 round cabinet knob is an early 20th-century adaptation of classic Georgian design. Typical of the design style, a single step joins the knob to the straight shank and transitions to an ogee rose. The simplicity of the well-proportioned profile makes the knob suitable for contemporary as well as traditional interiors. All NANZ plated and patinated finishes are available.

Diameter: 1-1/4"

Projection: 1"
