

N° 8682

Although the design of the No 8682 bin pull originated during the Arts and Crafts period, it has a modern esthetic suitable for contemporary interiors as well. The oval finger pull curves slightly on the horizontal axis. Flanges for screws flank the opening. All NANZ plated and patinated finishes are available.

Width: 3-5/8"

Height: 1-1/8"

Projection: 3/4"
