NANZ®

No 9209H

The dome of the 9209H floor mounted doorstop is hand-hammered and derives its shaping from the 1209 knob. Its simplicity allows it to be matched with a number of NANZ handles. Its base is terminated with an ogee detail. It is available in all NANZ patinated and plated finishes.

Diameter: 1-3/8"
Height: 1-1/2"
