

N° 9500 919

Introducing the New Standard in lift & slide handles, the Nanz N° 9500 919. The New Standard is recessed, avoiding blinds, curtains or other window treatments. Spring-loaded and push-button activated, the N° 9500 919 will remain recessed when the door is open or closed and in both the locked and unlocked positions. It is equipped with a motion dampener and features 180° indicator detents. It will work with all lift & slide mechanisms and may be retrofitted to existing doors. A high security, back-to-back mounted recessed pull should be specified for door exteriors. All Nanz plated and patinated finishes are available. Please see our advertisement.

Length: 14"

Width: 2-1/8"

Handle Height: 9-3/16"

Collection: Minimal
