

SHAMSHIRI

N° 9584

Designed and manufactured in collaboration with Studio Shamshiri, the Ojai Collection takes inspiration from the eponymous mountain town. The cast bronze hardware relies on both texture and what are often primitive forms to create a vernacular look and feel of historic California. The N° 9584 Gravity Bar Latch is operated by a spherical knob on each side of the door. Well suited to interior and exterior doors, the latch can be paired with a deadbolt for privacy and entry functions. All NANZ plated and patinated finishes are available.
